Mountain Meadows Massacre Descendants always enjoy fellowship with fun and games at our annual meetings. Our door prizes are always fantastic! Anyone with handmade items or something you'd like to donate to our door prize table, please bring with you.

Our Saturday, April 27th, activities after the meeting will include viewing and dedication of a new sign placed on the courthouse square, next to the Mountain Meadows Monument, placed in 1950. The new sign will add important new information, including information about the massacre/burial site in Utah as a National Historic Landmark.
